* 2321 Q.—SRI M. NARAYANAN NAMBIAR: Will the Hon. the Minister for Health be pleased to state—

(a) whether the rural dispensary at Trikarpur in South Kanara has been closed; and

(b) if so, why?

Q.No.1885.

THE HON.SRI A.B.SHETTY:

(a) Yes, Sir.

(b) Non-availability of a qualified medical Officer for appointment as Rural Medical Practitioner.

SRI M.NARAYANAN NAMBIAR: May I know from the Hon.Minister when this dispensary was closed and whether there is any possibility of appointing a Doctor in as Rural Medical Practitioner?

THE HON.SRI A.B.SHETTY: The dispensary remains closed since 28--2--1954. The District Board has not been able to get a qualified practitioner for the dispensary.

SRI K.P.GOPALAN: Are the Government aware of the fact that doctors are not coming forward to work in Rural Dispensaries because the pay and allowances given are very meagre? In view of this fact, may I know whether the Government will be pleased to increase the pay and allowances of Rural Medical Practitioners? May I also know what steps the Government have taken to see that a doctor is appointed for the rural dispensary at Trikarpur as the hospital has to serve lakhs of people in and around that place?

THE HON. SRI A.B.SHETTY: Rural dispensaries are under the control of District Boards and it is, therefore, their duty to find qualified doctors for managing the rural dispensaries under their control. As regards the question of enhancing the pay of Rural Dispensary Doctors, it is a matter which is being considered in connection with the Second Five Year Plan.

SRI M.NARAYANA KURUP: Inasmuch as this is a matter of social service, will the Government make it a condition for granting Diploma or Degree in this matter that the holde will serve in such rural institutions as directed by the Government ~~ER~~ for a certain period so that such things as have been pointed out in the question may not happen?

THE HON.SRI A.B.SHETTY: This suggestion has been made by several people on several occasions and this will be considered.
